

## JUICY BURGERS. HOMESTYLE FRIES. THICK MILKSHAKES.

Something we all grew up with. Something we can't always find.  
In a world of strip malls and fast food chains, we like being different.

*At Hi-Mountain, we take pride in our traditions. The food you loved as a child tastes just as good today. We strive to give you quality food paired with exceptional service.*

*Built in 1918 as a confectionary, the store has had very few changes since it first opened its doors. Although the pharmacy is now closed, we are still - and most likely will be for years to come - fondly known as "The Drug Store."*

*So, belly up to the bar, enjoy some down-home service, and take a walk down memory lane. Before you go, peek below the old-fashioned ice cream counter at the original tile mural, and help yourself to a heaping serving of nostalgia. Let us help you create special memories with your loved ones that will carry on through the years.*

*We look forward to seeing all our friends, whether you've traveled one mile or a thousand! We hope you'll agree we're well worth the trip.*

.....  
*Thank you for being  
a part of our history.*
